

Certificate of Registration

INFORMATION SECURITY MANAGEMENT SYSTEM - ISO/IEC 27001:2022

This is to certify that:

Vention Inc
4767 rue Dagenais bureau 104
Montreal
Québec
H4C 1L8
Canada

Holds Certificate No:

IS 788021

and operates an Information Security Management System which complies with the requirements of ISO/IEC 27001:2022 for the following scope:

"Vention's Information Security Management System applies to the provision of services, including customer support, product management, software development lifecycle, change management, vendor management, cloud operations management. It takes into account the internal and external factors as well as factors relevant to interested parties referenced in previous sections. This covers the supporting operations and infrastructure focusing on the protection of customer information, source code, and cloud service assets worldwide." This is in accordance with statement of applicability V1.1, dated May 15, 2025.
